Requests must be made in writing within twelve months of the date of the withdrawal request or the conclusion of the session in which the unit(s) were undertaken.

(14) Other Conditions

SIBT reserves the right to withdraw a program or unit(s) from offer at its own discretion. If a student is unable to enrol in a similar program or unit(s) at SIBT and the enrolment is cancelled, all fees paid will be refunded.

In the event of default by SIBT as the provider, the provisions of the Education Services for Overseas Students (ESOS) Act 2000, Education Services for Overseas Students (ESOS) Regulations 2001 and the Higher Education Support Act (HESA) 2003 will apply. The refund will be paid to you within 2 weeks of the day on which the program ceased being provided. Alternatively, students may be offered enrolment in an alternative program by SIBT at no extra cost to you. Students have the right to choose whether they would prefer a full refund of program fees, or to accept a place in another program. If students choose placement in another program, SIBT will ask the student to sign a document to indicate that they have accepted the placement. If SIBT is unable to provide a refund or place students in an alternative program you will be covered by the Tuition Protection Service (TPS). The TPS will attempt to place you in a suitable alternative program or, if this is not possible, you will be eligible for a refund. All refunds will be paid into the same account from which the payment was made to SIBT. For more information please visit <https://tps.gov.au>.

(15) Students who dispute SIBT's decision regarding a refund can lodge an appeal under the Student Complaints and Appeals Policy to have the decision reviewed. This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.

(16) All refund payments will be made in Australian Dollars (AUD). Where it is necessary for SIBT to convert the refund into a currency other than Australian dollars in order for the payment to be made, it will be converted using the exchange rate on the day the payment is made. SIBT will not be responsible for fluctuations in exchange rates.

Refunds will be paid to the person who enters into the contract with SIBT (normally the student), unless the person gives a written direction to SIBT to pay the refund to another person.

Payments received via credit card will be refunded to the originating credit card account.

(17) A student whose enrolment is terminated by SIBT during the program of a session as a result of seriously breaching SIBT rules will not be entitled to any refund of fees with respect to that session.

A student whose enrolment is terminated by SIBT at the end of a session will be charged a cancellation fee of \$500.

A student who fails to re-enrol in a session by the last day to enrol will be deemed to have withdrawn from their program. Cancellation charges will be applied and effective from that date.

If a student wishes to defer enrolment until a later session, SIBT will hold the fees paid until commencement, without penalty. Deferrals will only be accepted until the end of week 4, except where there is evidence of compassionate or compelling circumstances. Students who defer and then subsequently withdraw from the program will be liable to the refund policy from the date of application for the deferral.

- (18) If a student is found to have provided false or misleading information at any time, SIBT reserves the right to retain up to 100% of any fees paid. In the event that the student has enrolled SIBT may terminate that student's enrolment.
- (19) SIBT will use its best endeavours to ensure that students are aware of any available refunds under this policy, however, it is the responsibility of the student to be aware of any available refunds on their account and to maintain current contact details. Any balance remaining on the student account three months after the student has completed, cancelled or withdrawn from the program will be forfeited. Students can access their account details through SIBT's student portal.
- (20) Refund of OSHC premiums can only be considered in accordance with the refund policy of Allianz Global Assistance: <https://www.oshcallianzassistance.com.au/>. If any current student withdrawn from the program, SIBT will cancel his health cover from the date his eCoE has been cancelled.
- (21) If part of a packaged program is provided by an external party the refunds relating to that part of a program will not be covered by this policy.
- (22) Refunds will be granted according to the following guidelines. Any request which falls outside these guidelines will be referred to the College Director and Principal or their nominee, for consideration and decision.
